Education

Indian Institute of Technology Madras (IIT Madras)

Chennai, India

Diploma in Data Science (BS Degree Framework)

Project CGPA: 10.0 / 10.0

Expected Graduation: 2028

Cumulative Program CGPA: 9.32 / 10.00

- Currently completing advanced Diploma-level coursework in Data Science with perfect project standing.

Jadavpur University

Kolkata, West Bengal

Bachelor of Technology (B.Tech) in Power Engineering

Current CGPA: 7.65 / 10.00

Expected Graduation: 2028

- Engineered and verified a fully controlled full-wave rectifier hardware circuit, implementing precise operational controls to govern power delivery waveforms.

Cloud & AI Certifications

• AWS Academy Graduate – AWS Machine Learning Foundations

Issued: June 2026

Credential ID: 071a6568-4f1f-413d-be92-8947432f545c

• AWS Academy Graduate – AWS Cloud Foundations

Issued: May 2026

Credential ID: 795d3f58-402c-43c6-9575-fc745ca8492d

Technical Skills

- **Languages & Core Logic:** Python, SQL, JavaScript, HTML/CSS
- **Data Science & Machine Learning:** NumPy, Pandas, Scikit-Learn, PyTorch, XGBoost, CatBoost, LightGBM, Optuna, GeoPandas
- **Web Frameworks & System Tools:** Flask, SQLAlchemy, Vue.js, Vuex, Git/GitHub, Linux CLI
- **Core Framework Foundations:** Linear Algebra, Applied Probability & Mathematical Statistics, Data Structures & Algorithms (DSA)
